Subject: Declined: FMC RCRA Pond UAO Monthly Conference Call

Categories: FOIA

Hi Rob, can you consider a permanent switch to a different time. I need to start attending these calls but this time, 9am on Monday morning is not going to work for me. After 11am PDT on a Monday should work in general. But I have another conflict the week of Aug 10th unfortunately, I will be on travel for a training that week.

Any day the week of Aug 3rd, on Aug 14th, or any day the week of the Aug 17th would work for me to have a call. On Monday after 11am please, and any other days of the week after 10am is good. If needed I could do earlier on Wednesdays or Thursdays when I work from home.

Thanks for considering my schedule constraints as I get more involved.
